** Rebates are dependent upon application approval, permitting requirements, and other items as deemed necessary by the City of Longwood.*

Is it time to upgrade and replace portions or elements of your home? Apply for the Longwood Residential Energy Efficiency Program (REEP). You could be eligible for up to \$500.00 for energy efficient upgrades. *City of Longwood residents can apply for rebate amounts through the City of Longwood's Community Development Services Department or online at www.longwoodfl.org. Longwood residents must complete a REEP application for eligibility and to determine the rebate amount. All work and/or materials must be purchased through a Longwood contractor or business.
